

**APPLICATION TO BE A GRADER
PHYSICS AND ASTRONOMY, SPRING, 2008**

1) Personal info:

NAME _____ MAJOR _____ CLASS _____
email _____ CAMPUS PHONE _____
Today's date _____

2) About the job: A Physics or Astronomy grader will mark homework papers; typically they come in once a week. Solutions are typically provided for you. You will probably be asked to keep an electronic record of your students' grades, and to be reliable about getting the last homework back to the professor by the time the new homework comes in.

3) Relevant Experience:

Physics Courses Taken

**Other relevant Math, Eng, or
Science Courses Taken**

Have you been a grader before? _____

If so, for what course and in what semester/year? _____

4) Your preferences:

Please list, in order of preference, the courses for which you would like to be a grader.
If you don't wish to do a course, just don't list it.

The courses for Spring 2008 are **Physics 4, Physics 4L, Physics 7**

My choices, in preferred order: _____

5) Please return this to Amy Bug form (by college mail, or by hand to SC Rm. 117).
