2000-2024 Graduates by Race/Ethnicity

Race/ethnicity coding changed on the federal level in 2011. Data prior to 2011 has been crosswalked into the newer codes, but, as we are recoding, this is imperfect.

The blue race/ethnicity categories (American Indian/Alaska Native, Native Hawaiian or other Pacific Islander, Black or African American, and Hispanic) reflect Under-Represented Minority (URM) students.

Per federal guidelines, students who select the "Hispanic" ethnicity are counted as Hispanic students even if other races are also selected.

Students who select two or more races (and who do not select the "Hispanic" ethnicity) are counted as "Two or more races" students.

International Students are considered to be "Non Resident" regardless of what race/ethnicity they selected.

The following presents the percentage of graduates who have one or more majors in a division. **Graduates who have majors in two divisions are counted in each division, so percents total to more than 100%.** Graduates who have two majors in one division are counted once in that division.
